

# RUN 4 DON

TO THINK THAT A BOY OR GIRL MIGHT GET TO GO TO A  
CHRISTIAN COLLEGE BECAUSE OF MY ILLNESS IS EXCITING.  
WE NEVER KNOW HOW GOD MAY USE US.

Brethren,

This letter is to inform you that the Run4Don event generated enough money for us to be able to offer scholarships again this year to graduating seniors in the Jackson and Smith County area.

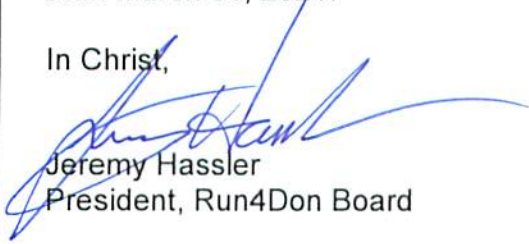

To date, we have awarded \$160,000.00 in scholarships since starting this effort and more than \$107,000.00 has been donated to assist with research to help find a cure for ALS.

The application attached should explain who is eligible to receive a scholarship. The committee will decide who receives it and how much will be given. Preference will be given to attendees of Jackson/Smith County Youth Camp as well as to the applicants with the greatest financial need and those attending a Christian college or university. Please make sure any graduating high school senior from your congregation has the opportunity to apply for this scholarship.

Please do not use Judy Chaffin, any Board Member, or any Board Member's spouse as a reference in your scholarship application. We feel that this is the best way to make sure each person who applies gets equal consideration. Please note that the members of the Run4Don Board are listed on the left margin of this page for your convenience when filling out your application.

Mail it to the address on the scholarship application, no later than March 31, 2021.

In Christ,

  
Jeremy Hassler  
President, Run4Don Board
